

## Machine description

Ref.no. 2528

Manufacturer: Maxlift 860

Manufact. year: 1998

Machine no. 2313

### Tekniska data

|                            |                                   |                |
|----------------------------|-----------------------------------|----------------|
| :: Max plattformshöjd 8600 | <b>Machine measurement (LxWxH</b> | 2522x1680x2460 |
| ::                         | <b>Machine weight (mm):</b>       | 1760kg         |
| :: Max last 400kg utskjut  | <b>Transport volume/weight</b>    |                |
| :: 120kg                   | <b>(lm/kgs):</b>                  |                |
| :: Plattform               |                                   |                |
| :: 1100x2522-4090          |                                   |                |
| :: Frigångshöjd 170mm      |                                   |                |
| ::                         |                                   |                |
