

## Machine description

Ref.no. 4390

Manufacturer: Kompressor Atlas Copco GA18 FF

Manufact. year: 2003

Machine no. AII274303

### Tekniska data

|  |          |                                  |               |
|--|----------|----------------------------------|---------------|
| Compression technology                   | Skruv    | Total power requirement (kW):    |               |
| Air capacity (type) (m <sup>3</sup> /s): | 52,2     | Machine measurement (LxWxH)      | 1300x700x1500 |
| Max working pressure (bar):              | 8,5      | Machine weight (kg):             | 495kg         |
| Tank volume (l):                         |          | Transport volume/weight (lm/kg): |               |
| Noise level (db(A)):                     |          |                                  |               |
| Running hours (h):                       | 45000tim |                                  |               |
| Motor power (kW):                        | 18,5     |                                  |               |
| Supply voltage (V):                      | 380v     |                                  |               |
